DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This paper is to notify appellant(s) that the statement of the 102 rejection contains a typo and should read "Claims 1-3, 5-23 and 25-42 are rejected under 35 USC 102(e) as being anticipated by Ober et al. U.S. Patent No. 6,708,273 (hereinafter '273)". The text of the rejection explicitly sets forth that claim 25 is rejected and claim 24 is not rejected under 102 (see page 6 of final and page 4 of examiner's answer). Appellant(s) have had the opportunity to respond to the rejection of claim 25 (see appeal brief, page 10). No response is deemed necessary by appellant in response to this paper. This paper merely serves to make the record clear for the BPAI. Appellant(s) may file a reply brief within two months from the date of the Examiner's Answer (August 9, 2006) as set forth in 37 CFR 41.41. NO NEW TIME PERIOD IS GIVEN.
